General Rules

- 1) No unsportsmanlike conduct will be allowed. You may be disqualified or ejected for unsportsmanlike conduct. **The referees will be shown maximum respect at all times. Their decisions are final and will not be overturned.**
- 2) No striking, biting, eye gouging (includes chin to eye), head butting, small joint manipulation (finger or toe locks), hair pulling, grabbing the windpipe, or ear pulling will be permitted.
- 3) **No slamming allowed.** Illegal slamming will be defined as slamming your opponent to escape submissions and/or to pass the guard; or standing from the guard and/or jumping from a standing position to slam your opponent. **Slamming will result in an automatic DQ.** There are no exceptions to this rule. Takedowns are NOT considered slams, but you must deliver your opponent safely to the mat.
- 4) No infectious skin diseases (such as ringworm, staph, and MRSA) or open wounds will be permitted. No lubricants, oils, or lotions of any kind will be permitted on any part of the body or clothing.
- 5) Competitors will be allowed to continue grappling anywhere on the matted area, provided they don't interfere with another match. If the competitors near the edge of the mat, they will be restarted from the same position, unless the referee is unable to duplicate the position for any reason. In case the referee is unable to duplicate the position, the competitors will restart from a standing position.
- 6) If a competitor flees the ring when a submission is locked in and the competitor is obviously fleeing to avoid submission, he or she will be automatically disqualified.
- 7) Women will not be permitted to compete in Men's divisions. Men will not be permitted to compete in Women's divisions. Teens (13+) may compete in Men's or Women's divisions with permission from their parent or coach. Men over age 30 are eligible to compete in the 30+ divisions, but may also compete in the Men's divisions.
- 8) In Juvenile (ages 4-17) matches, the referee has the discretion to call a match if the referee believes that a submission will cause immediate damage or injury, especially in the beginner divisions.

We reserve the right to expand or combine divisions to accommodate competitors.

Brazilian Jiu Jitsu Rules

- 1) **Heel hooks, reaping the knee, twisting knee locks, "flying scissors" takedowns, and neck cranks are NEVER legal in Gi matches. Straight ankle locks are ILLEGAL for juveniles, but are legal in all other divisions.**
- 2) Kneebars, figure-four toeholds, and compression locks (AKA "slicers", "crushers") are legal in brown and black belt divisions only.
- 3) BJJ divisions require a clean, properly fitted Jiu Jitsu or Judo Gi. Mouthpiece and groin protection are optional, but recommended.
- 4) All adult competitors must compete using the rank awarded to them by their Brazilian Jiu Jitsu instructor. Competitors will not be permitted to compete at a higher belt level than their current belt.

Scoring

1) **To gain points for a position, the competitor must show clear control for 3 seconds (including takedowns and throws).**

2) Advantages are used as a tiebreaker. The referee will score advantages in the event of a near submission or score (near takedown, near guard pass, etc).

3) No Stalling: Referee will issue warnings for the 1st offense of stalling (i.e. backing out of the guard without engaging, hugging the opponent's hips inside the guard, backing away from the opponent out of bounds, etc). A 2nd offense will result in an advantage for the staller's opponent. A 3rd offense will result in a 2 point deduction. A 4th offense will result in a disqualification.

4) If a competitor flees the ring to avoid a takedown and it is obvious that the competitor is going to be taken down, his or her opponent will be awarded two points.

Juvenile (ages 4-17) Weight Classes

Brackets for competitors aged 4-17 are made using the Madison Bracketing System. There are no preset weight classes for children and teens. At the end of weigh ins, the children and teens will be sorted by weight. Brackets will then be made by grouping them into sets of 4 or 8 (depending on turnout). Juveniles will be divided by weight, experience, and age (whenever possible). Divisions for children and teens will be run as double elimination brackets, ensuring everyone gets at least two matches in each division. Using the Madison system means children and teens will no longer cut weight since they won't know the weight classes in advance.

Juvenile (ages 4-17) Skill Levels

Beginners: Up to one year of training any grappling art.

Intermediate: Up to three years of training any grappling art.

Advanced: Over three years training any grappling art.

Adult and 30+ No Gi Skill Levels

Skill levels are determined by time spent training in any comparable grappling art. Any wrestler with extensive experience (3 or more years in high school, or any collegiate experience) must enter at least intermediate no-gi. Judo and Sambo experience count the same as BJJ.

Adult Divisions (Men and Women)

Beginner: Up to 1 years (white belts only).

Intermediate: 1 - 3 years, or blue belt.

Advanced: Over 3 years, or purple belt and above.
